

Location Info New Itasca Gun Club Range

Address: 28716, Prairie Lake Road, Grand Rapids MN 55744

To reach the gun club by mail, you still need to use P.O. Box # 201, Grand Rapids, MN 55744

Take MN Highway 38 north out of Grand Rapids. A mile or so out of town, turn east on Itasca County Rd 61.

Travel east for about 1.2 miles, then turn North on Prairie Lake Rd.

At about ¼ mile, you'll see the new gated range entrance with this sign. Follow the new driveway in to the shooting range. If you've paid your 2018 dues, you should have received an email with the

padlock combination. If not, click “Webmaster” at the bottom of any page on the itascagunclub.org website and email a note.

In 2018, Google maps is showing the range over a mile northwest of where it actually is. In the image below, the range entrance is at the northeast corner of Lower Prairie Lake.
