

## Login Instructions for 2024 Itasca Gun Club Membership Card

The Itasca Gun Club (IGC) has changed the way you get your membership card. There are about 860 members who are up to date on their dues. Mailing cards out is expensive and a lot of volunteer work, especially when we need to reply to individual requests.

We are moving to digital cards, which you can download to your phone or print from your computer. To view your digital membership card, log into your account on the IGC web site. Open the website at <https://itascagunclub.org/> Then look to the upper right corner for the login and password boxes (upper left on some phones). Enter your email and password. If you've never logged in before, click the "forgot password" link to get a password issued to you.

If you logged in with a phone, click the link to optimize your card for a smartphone. On your phone, you'll see a link to open the file that just downloaded to your phone. Open it to see the card. You can find the image of the card later in the "downloads" folder on your phone. This should be with your photos.

If you choose "printable PDF," the web site will download the card to your phone or your computer, again into the "downloads" folder. On a computer, you can then print that image and cut the card out with scissors.

Or you can use your phone to take a photo of your card on the screen and keep that on your phone. Here's the page you'll get if you choose to print your card from your computer:

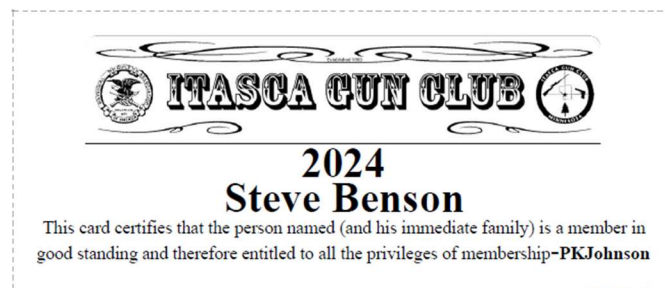

Card size (after cropping): 88.9 x 50.8 mm / 3.5 x 2 inches / 300 dpi

## How to use:

1. Print this page. Be sure to set the scaling to 100%. You might want to use thick paper like cardstock.
2. Choose between the card with straight corners or rounded corners.
3. Cut out the card you chose using a knife or scissors.
4. Place the card in a card holder or lanyard.

We hope this works well for you. By making this change we don't have to mail out cards when a member joins or needs a new card. This also lets us avoid paying return postage for those many members who head south for the winter.
